

**Amelia
Willmann**

Amelia Willmann is a graduating senior from Chatham High School. The inspiration for her Ted Talk was a semiotic analysis she wrote titled "Fast Fashion Redefined," which was awarded "Honorable Mention" by the Scholastic Art & Writing Awards. In her free time, Amelia enjoys going to the beach, concerts, thrift stores, and exploring new places. She will continue her passion for travel as she ventures to Madrid for her first semester of college at Northeastern University.
