

SCHOOL DISTRICT OF THE CHATHAMS

Note from the Superintendent June 2018

Cheers to the Summer!

Dear Parent,

As we wind down the final days of June and enter the summer, I would like to thank all of you—as well as all of our students and staff members—for contributing to make 2017/2018 another successful school year. The formal recognition and culmination of these efforts of course is high school graduation, which took place a week ago. If you would like to view the ceremony, you may do so by [clicking here](#).

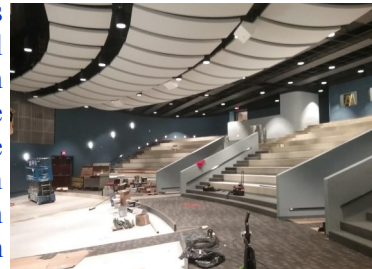

Be Careful out there this Summer

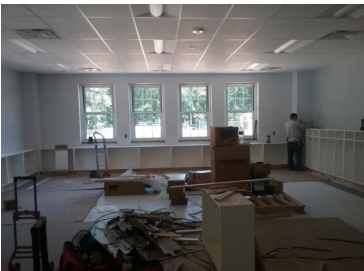

Exterior of MAS Addition

Our ongoing construction projects approved in the 2016 referendum will continue throughout the summer, with some work impossible to complete while students are present taking place now or in the coming weeks. In addition, there are other construction projects—such as a bathroom renovation at SBS and paving work at SBS and LAF—that will likewise cause inconveniences in and around the schools. Please be mindful that if you need to access a school this summer, there may be construction taking place. Left and Right are photos of some of the projects as of June 26, 2018. I will provide a full report on the status of all projects in August, as we welcome you back for another year.

Thank you again for a terrific 2017/2018 school year. I wish you a restful and restorative summer with your family.

Sincerely,

Mike LaSusa
